Beer of the Month

Every month we have a limited stock of a special craft or imported beer. Ask our staff what this month's beer is.

Queensland Beer Beer from Queensland's best independent brewers

Cans or bottles? Cans stop oxygen and sunlight from reaching the beer much more effectively than bottles, meaning the beer stays fresher for longer. However, as long as you pour the beer into a glass there's no difference between the two.

Rum

A staple in Queensland, rum is derived from sugar cane & comes in many different varieties. Rums vary from white rums which are slightly sweet to darker rums that possess intense flavours of caramel, molasses & are often heavily aged in oak barrels, as well as spiced rums which derive flavours from added spices.

Bundaberg Gold UP **QUEENSLAND, AUSTRALIA** 7

The Queensland classic. Bundy is the go to rum for a “rum & coke”, though it mixes well with most other soft drinks.

Bundaberg Red **QUEENSLAND, AUSTRALIA** 8

While still unmistakably Bundy, this rum is filtered with Red Gum, which adds a level of smoothness, making it ideal for mixing with lighter mixers such as soda or ginger ale. Goes exceptionally well with ginger beer for a “Dark & Stormy”.

Bounty White **FUJI** 7

A light Island rum, Bounty is extremely versatile. Lightly flavoured & slightly sweet, it will mix with anything, but is perhaps nicest with soda & fresh lime, or as a classic daiquiri.

Bacardi Superior White **PUERTO RICO** 8

The famous Caribbean white rum, Bacardi is charcoal filtered & aged in white oak barrels. It can hold it’s own with heavier mixers such as cola, but also blends nicely with soda, ginger ale or raspberry lemonade.

Sailor Jerry Gold Spiced Rum **VIRGIN ISLANDS** 8

A rum that is strong, but goes down smooth. Sailor Jerry is blended with natural spices, including vanilla & lime. Tastes great in a Cuba Libre cocktail.

Plantation Pineapple Rum **TRINIDAD & TOBAGO** 10

A dark rum made from sweet molasses & barrel aged. With pineapples. This is a brilliant rum, it’s smooth, sweet and rich with a vibrant flavour of ripe pineapple. Enjoyable over ice, but it can be mixed with anything to get a great tropical flavour.
